Dance Studio Pro

Parent Portal and Online Resources

The **Parent Portal** is designed to be a self-service system for our dance families. The intent of the **Parent Portal** is to make your life easier. You can perform the following functions on the **Parent Portal**.

1. Enroll in Classes with **Online Registration**
2. Enroll in **Auto-Pay**
3. Make **Online Payments**
4. View Weekly Schedules
5. Contact the Studio
6. Access **Shared Files** and Music
7. Purchase items from the **Online Store**
8. View **Events**
9. Accept **Waivers**
10. View a **Google Calendar**

All Parents are registered for an account through the Parent Portal once registration is complete. Please be sure to access your Parent Portal promptly to navigate through the tabs.

Access to the Shared Files and Music through the Parent Portal will be essential for dancers to stay up to date if they ever need to miss a class due to an illness, family event, etc.

Shared Files and Music will be updated regularly to keep students fresh and ready for class. Please review when class is missed.
